Dear Parents/Carers

Firstly, thank you for your support at abiding to the government advice of staying home and keeping your family safe. I am just writing to reinforce that I don't want any family to get stressed about completing a certain amount of work.

We are all in new territory and will find a way to make it work. How that works will be different in every house and will often be different from one day to the next. Try do some reading, maths and a little writing every day; however, please be aware some days this won't be possible and that is okay.

Work has been sent home and there are links to on-line learning. These are to help. Please don't feel you have to fill your day with it, unless you want to! At this present time mental health must be a priority for all.

If there is anything we as a school can do to support you, please do contact us using the school mobile, daily welfare call or email to [p.midworth@dlc.dorset.sch.uk](mailto:p.midworth@dlc.dorset.sch.uk).

Stay safe and thank you for your on-going support at this incredibly difficult and complex time.

Yours faithfully

*Phil Midworth*
