Dear Parent/Carer

During this third national lockdown, DLC remains open to support the majority of our students. I am writing to highlight that due to factors stated by the government here:

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision#vulnerable-children-and-young-people>.

your child can access this educational and emotional support in a full time or part time capacity at school.

We have a full risk assessment (available on the website) and have a number of COVID-19 control measures in place including lateral flow testing for all staff members. Being at DLC would be of benefit to both their mental wellbeing and educational performance.

However, I do understand that this is a worrying time for all families and you may wish to discuss this offer further with our pastoral workers Jayne Lewis and Lucy Murray.

Yours faithfully

Phil Midworth
