Headteacher: Phil Midworth

Date: 17th March 2020

Dear

I hope that you and your family are coping at the moment with the imposed self-isolation. I am just writing to inform you of the support that DLC can offer at this complex and challenging time.

Communication

The school remains open so please continue to contact the office on 01305 261213. Please feel free to communicate directly with me through my personal email p.midworth@dlc.dorset.sch.uk or on the school mobile 07596 275007.

Wellbeing Call

A member of the pastoral department will contact you on a daily basis to see if there is any further support that we can offer. Please be honest with us and we will try to help.

On-line Learning

All students have access to Doodle, GCSE Bitesize and Google Classroom. I have asked staff to organise a range of resources that will allow students to continue with their studies if they feel well enough. If you need support with this please again use the contact information above.

Physical Resources

Staff have also been organising packs of work to support learners during this time. If you feel your child would benefit from this then please do contact the office.

Mental Health

One of our main concerns is the impact of isolation on families. Please find a link below to support with this. I would recommend speaking to your child about this. Furthermore, if you need support please do let a member of the pastoral department know.

<https://www.mind.org.uk/information-support/coronavirus-and-your-wellbeing/>

As I have stated in previous letters this is a very challenging environment for all, and as a school we are trying our best to support our students. Please continue to engage with the school and access all the support we can offer.

Yours sincerely,

Phil Midworth
Headteacher
